Pre-Application Site Visit (PASV) Report

Contact: Roger E Moore, (206) 733-9039, Roger.Moore@seattle.gov

PASV report requirements may be subject to additions, changes, or modifications by the department. The purpose of the report is to alert the applicant that there may be unusual or complex site conditions that trigger requirements from the department regarding this project. **The applicant is responsible for providing all required documents at the intake appointment.** If you have questions about this report or the PASV process, please contact the DPD Site Development Team at (206) 684-8860.

Note: Any project application associated with the development site can utilize the results from this PASV if the application is accepted by DPD within 18 months of the above inspection date. After 18 months, the applicant must apply for another PASV. No extensions will be granted.

ECA Mapping Unit and Type

Non-ECA

Existing ROW Conditions

Other Requirements

- PASV report was completed manually and mailed to applicant. Any additional requirements are on the hard copy of the PASV (also scanned).

Applicant Next Steps

1. For questions on permit application process, please contact the Applicant Services Center (ASC) at 206-684-8850.
2. Review the requirements set forth in this report.
3. Use Client Assistance Memos (CAMs), checklists and standards, and 5 Steps for a Successful DPD Application Submittal (available on the DPD website) for additional information.
4. When all issues have been addressed, you may schedule an intake appointment with DPD. **Please bring a copy of this report to your intake appointment.**
